

INTRODUCTION

This medal roll has been transcribed from a hand written card index system, formerly located at the Air Ministry, which contained details of both the *India General Service Medal 1908-1935* and the subsequent issue, *India General Service Medal 1936-1939*.

Where a recipient was also entitled to the later medal, a note has been made in the Comments section.

Notes

Waziristan 1925

This clasp was awarded for service under Wing Commander R.C.M. Pink C.B., against the Wazaris. It was awarded **only** to the Royal Air Force and this was the first occasion in which the RAF was used as an independent force.

A.M.W.O. 643/26 of 2nd December 1926 stated that those who had previously qualified for the Waziristan 1921-24 clasp and who took part in the 1925 operations in Waziristan, would be given the option of receiving **either** the Waziristan 1921-24 clasp or the Waziristan 1925 clasp. They would not be issued with both.

A review of both official and unofficial publications reveal the differences in the number of Waziristan 1925 clasps apparently authorised and issued. Readers should consult:-

London Gazette 20th November 1925

OMRS Journal (September 1968) - S/L NB Pickstock
